

Weather and Seasons

WALT:

reflect on our learning

Success Criteria:

I can share something I have learnt about the weather and seasons

Task:

Discuss with someone in your family what you know about the weather and seasons

Can you name and describe each season?

Can you name the months of the year in each season?

What changes do people make based on each season? (e.g. clothes, food, activities)

Can you name and illustrate different types of weather?

What was the most interesting part of your learning about the weather?
