Class Friendship Contact Lists

I understand that some parents like to develop and distribute contact lists so that parents in the class have contact details of other parents in the class. This can be a convenient way of contacting other parents for social gatherings and preparation of special initiatives such as the Year 6 magazine. However, there are privacy issues which should be respected. Parents would need to sign to confirm permission to share their details across the class so a clause to this effect should be written on the top of the lists, to clarify the intention and use of the information.

A suggested clause could be:

I understand that by including my contact details below that the information will be shared with other parents in the class for the purpose of organising initiatives and social gatherings. Please be aware that these lists are developed and distributed by and amongst parents and this process is not managed by the school.

The School Day Begins at 8.55am

Arriving at school and class on time:

- ensures that students do not miss out on important learning activities scheduled early in the day
- helps students learn the importance of punctuality and routine
- gives students time to greet their friends before class
- reduces classroom disruption.

Lateness is recorded as a partial absence and must be explained by parents.

Anaphylaxis – Please read as this has been updated from last week.

John Purchase Public School is concerned about the safety and well-being of all our students. Many of you will know someone who is affected by anaphylaxis, a life threatening allergic reaction. Our school does its best to be an allergy aware school. Staff have had training in severe allergy management and we have implemented a number of strategies to help keep students at risk of anaphylaxis as safe as we can. We have over 30 students who live with the risk of anaphylaxis. Whilst these children are being taught to care for themselves at an age appropriate level, we ask that you help us educate your child on the importance of not sharing food with others, washing hands after eating and calling out to an adult if they think their friend with allergies is sick. With increased awareness and understanding of anaphylaxis, you will be able to help protect those around you.

A food allergy is an immune system response to a normally harmless food protein that the body believes is harmful. When the individual eats food containing that protein, the immune system releases massive amounts of chemicals, triggering symptoms that can affect a person's breathing, gastrointestinal tract, skin, and/or heart. Anaphylaxis is the most severe form of allergic reaction and is potentially life-threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention. It is estimated that up to 400,000 (2%) Australians, including 1 in 20 children suffer from food allergies and some of them will experience a life-threatening (anaphylactic) reaction.

Symptoms of food allergy can include:

Mild to moderate allergic reaction

- Tingling of the mouth
- Hives, welts or body redness
- Swelling of the face, lips, eyes
- Vomiting, abdominal pain (note these are signs of a severe allergic reaction if the person has insect allergy)

Severe allergic reaction- ANAPHYLAXIS

- Difficult/noisy breathing
- Swelling of the tongue
- Swelling or tightness in the throat
- Difficulty talking or hoarse voice
- Wheeze or persistent cough
- Persistent dizziness or collapse
- Pale and floppy (young children)

9 foods cause 90% of food allergies. These foods are:

- Egg
- Sesame
- Milk
- Soy
- Peanut
- Fish
- Tree nuts (cashew, almond, pistachio etc)
- Crustacea (prawns, lobster, crabs etc)
- Wheat

Peanuts are the leading cause of severe allergic reactions, followed by tree nuts, shellfish, fish and milk. At our school there are students with allergies to: nuts, eggs, sesame, dairy, seafood, kiwi fruit, watermelon and wheat. Adrenaline/epinephrine is the first line treatment for severe allergic reactions and can be administered via auto-injector, called the EpiPen®.

To learn more about anaphylaxis and food allergies, go to www.allergyfacts.org.au and www.allergy.org.au

As the only way to manage a food allergy is avoidance, the school has implemented several strategies to help prevent a severe allergic reaction. We can never totally eliminate the risk of an anaphylaxis but we can all do things that will help lessen the risk. Please consider the child with food allergy when packing your child's lunch or when sending in food for any special occasion, including birthdays, special events and school excursions.

We understand that dairy products and wheat are components of a healthy diet for children and that children may consume these at school. Foods that 'May contain traces of various foods' are fine for the nonallergic students to consume at school as long as they do not share food.

Staff members are trained in identifying an anaphylactic reaction and responding to this potentially life threatening situation. If parents would also like to complete the training, it is available online at no cost. Go to <https://www.allergy.org.au/about-ascia/about-ascia-e-training>

THE JOHN PURCHASE SKOOLBAG APP.

In our endeavour to keep parents informed and to facilitate easy access to important information and updates, we have a school app - Skoolbag. Most of our parents have already subscribed to this. For new parents or for parents who have not yet had a chance to install this, please follow the link below, which will take you to the instructions for downloading the app.

Parent Information Sessions this Wednesday

Parent information sessions for all grades K-6, will be held at school on Wednesday evening, this week. We kindly ask that suitable arrangements are made for the supervision of your school age and pre-school children to remain at home, or with a carer, so that every parent in attendance, can focus on learning about classroom organisation and programs. Please remember, that the information sessions are not designed to answer specific questions regarding individual students. Parent interviews, which have been scheduled for the end of Term 1, are specifically for the purpose of addressing individual needs.

Appointments can also be organised with class teachers throughout the year, on request.

Special Religious Education (Scripture)

As a government school, we are mandated to provide the time for the religious education of our students. I would like to advise that, pending confirmation of all providers, I anticipate that SRE (Special Religious Education) and SEE (Special Education in Ethics), will commence next week. Students in Kindergarten, Year 1 and Year 2, will attend 'Scripture' between 11:30 and 12:00pm on Tuesdays. Students in Years 3 to 6, will attend 'Scripture' between 12:00pm and 12:30pm on Tuesdays.

To assist our community's understanding of the programs offered, I have prepared an information sheet, which is published on the JPPS website and may be accessed via the following link:

https://johnpurch-p.schools.nsw.gov.au/content/dam/doi/sws/schools/j/johnpurch-p/localcontent/2019-sre-%26-religion/SRE_Parent_Information_Sheet.pdf

Currently, Hindu scripture will be offered to students in K-4 only, as one more teacher is still required for Years 5 and 6. The provider of Hindu scripture, Vishva Hindu Parishad (World Hindu Council of Australia), will provide full training for any parent who would like to learn about delivering Hindu Dharma classes. Interested parents would also need to meet the requirements of the Working with Children Act. Please contact Mrs Akila Ramachandran via mobile on 0450 117 372, or email akilar@vhp.org.au for further information.

School Photographs

Thank you for sending your girls and boys to school, so beautifully groomed last week. We encourage all students to wear full school uniform, with pride, every day. A second photo day for sporting teams and other groups, will be held in Term 4 (Friday 18th October).

Stewart House Clothing Appeal

Since 1931, Stewart House (at Curl Curl, on Sydney's northern beaches), has provided a wonderful venue for public school students across NSW. Children in need, participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being. The children are also able to access specialist services, at no cost, during their stay. All costs to parents of the children visiting Stewart House, are met by charitable donations. The collection of recycled clothing in bags distributed this week, is another way of showing our support. Please return the bags to school, filled with your clean and no longer needed items of clothing, for collection on Friday 8 March.

Participation in Homework

Parents are reminded, that the 'Participation in Homework' reply slips are due back to all class teachers, by this Friday, 22nd February.

Student Reports

As I communicated to the P&C meeting last week, following an overwhelmingly positive response from our parent community surveyed last year, next term, we aim to produce our Semester 1 student reports in an electronic format. A secure parent portal will be created, from which, all parents will be able to access their own child's report, grade distribution statistical data and EALD report. Next term, all parents will need to register to the new portal, using a current email address. I will provide further detailed information about reports and access to these, next term.

Student Wellbeing

The school's Wellbeing Policy reflects the NSW Department of Education's commitment to creating quality learning opportunities for children, to build on their individual strengths, enabling them to Connect, Succeed and Thrive now and throughout life. John Purchase Public School is committed to providing a safe, secure and happy environment, which encourages each child to:

- be actively connected to their learning, have positive and respectful relationships and experience a sense of belonging to their school and community;
- be respected, valued, encouraged, supported and empowered to succeed; and
- grow, flourish, thrive and prosper.

The Wellbeing policy was developed by the John Purchase PS Wellbeing Committee, in consultation with students, staff and community. It includes:

- the school rules
- strategies and practices to promote positive student behaviour; including specific strategies to maintain a climate of respect;
- strategies and practices to recognise and reinforce student achievement; and
- strategies and practices to manage inappropriate student behaviour

School Expectations

Policy and practice at John Purchase Public School is underpinned by 3 key expectations:

SCHOOL EXPECTATIONS

RESPECT

- Care for myself, other people, property and equipment
- Speak to others in a polite and positive way
- Discuss and resolve conflict
- Allow others to learn

RESPONSIBILITY

- Attend school, be punctual and be prepared

- Be safe
- Do what is right
- Be responsible for the choices you make

ASPIRE

- Have a growth mindset
- Encourage others

The expectations are reinforced across all school situations. Positive behaviour is modelled for students and practised by them in class, in the playground and in other areas of the school. This policy may also apply outside of school hours and off school premises, where there is a clear and close connection between the school and the conduct of students. This policy is implemented consistent with Work Health and Safety Policy obligations and the school's Anti-Bullying Plan.

School Rules

At John Purchase Public School, we are committed to providing safe, supportive and responsive learning environments. We teach and model the behaviours we value in our students.

Our school rules are based on the NSW Department of Education Behaviour Code for Students and support the development of skills needed by students to meet our high standards for respectful, safe and engaged behaviour. At John Purchase Public School, we:

- Attend school in full school uniform, be punctual and be prepared

- Care for and respect other people, property and the environment and do what is right

Paul Kelly Cup

Paul Kelly Cup trials will begin Monday at lunchtime this week for students in Stage 3. Successful students will be notified by the end of this week and issued a permission note to attend the gala day on Wednesday 6th March.

Stage 3 PSSA – Oz Tag and Softball

Stage 3 PSSA commenced last week for our summer sports, Oz tag and softball, comprised of 1 boy team and 1 girl team for each sport. We had an exciting start to the season, kicking it off against Epping West Public School. It was great to see both schools show a great level of sportsmanship both on and off the field. Mr Kerrigan and I could not be prouder of how the students have represented our school so far.

Results:

Oz Tag

JPPS boys' team beat EWPS 14 - 12. JPPS girls' team beat EWPS 13 - 4.

Softball

JPPS boys' team drew with EWPS 3-2. JPPS girls' team lost to EWPS 9-1.

Stage 2 PSSA – League Tag and Auskick Super Clinic

Last Friday, Stage 2 PSSA attended the AFL and League Tag Super Clinic at Pennant Hills Park. Students were involved in rotations comprising of ball skills and short games. It was a beneficial day for all students and coaches. Good luck to our Stage 2 League Tag and Auskick teams in their first competition round this Friday.

Swimming Carnival

A note for the annual school swimming carnival will be distributed this week. This year, the carnival will be held at Waves Aquatic Centre, Baulkham Hills on Monday 4th March. Students are encouraged to indicate their level of swimming ability on the note and return it ASAP to their class teacher, along with the money for transport and pool entry.

The Zone Swimming Carnival will be held on Friday 8th March, at Sydney Aquatic Centre. Students who qualify for the Zone Carnival (top 2 in **finals event** in their age group & within qualifying time) will be issued a note Tuesday 5th March and will be required to hand it back ASAP to board the bus on the Friday.

Parents are encouraged to attend the swimming carnival and support their children.

Little Athletics

On the 9th and 10th

February a number of JPPS students represented Cherrybrook Little Athletics at the region carnival. The competition was held at Narrabeen Academy of Sport. Despite the hot conditions athletes tried very hard and achieved a number of personal bests:

Pippa Burke - Girls Under 8:

70 metres - 11th

200 metres - 12th

Sophie Durham - Girls Under 10:

Long Jump - 13th

Sam Condon - Boys Under 12:

Shot Put - 10th

Discus - 8th

Sarah Koot - Under 12 Girls:

100 metres - 8th

200 metres - 10th

60 metre Hurdles - 1st

Triple Jump - 7th

Sarah Koot will now represent Cherrybrook at the State Competition, to be held at Homebush in March.

Congratulations to all of these students for their tremendous efforts to achieve these results.

**Families' role in creating a supportive school culture**

Research demonstrates that efforts to change the attitudes and behaviour of students are more likely to be successful if families are actively involved and share a sense of ownership over the process.

What can you do to help promote positive relationships in our school?

- Talk regularly with your children about how to resolve differences and manage disappointment
- Encourage your children to ask for help if they are being bullied at school
- If your children are fighting at home, help them discuss their problem and come to a mutual solution
- Encourage your children to be assertive by helping them to practise speaking in a firm but friendly way, making eye contact, looking calm, smiling and feeling good about themselves

School Zone Road Safety

Remember! Road safety starts with you!

2019

School is back!

Here are some safety tips for driving and parking within school zones, as well as road rule information to help keep you and your children safe.

Driving Safety

- Check all passengers are buckled up.
- Stick to the 40km/h speed limit.
- Always look out for pedestrians, especially at crossings and intersections.
- Avoid U-turns and three-point-turns within the school zone.
- Look for buses pulling out and always pass a bus with flashing orange lights at 40km/h

Drop-off and Pick-up Time

If you are able to drop your children off quickly, consider using a No Parking or Kiss & Drop zone or drop them further down the road a bit and let them walk to the gate.

How to use a No Parking zone

A No Parking zone is a drop-off, pick-up location. Remember:

- You can stop for a maximum of two minutes in the zone.
- The driver must remain within three metres of their vehicle.
- The driver must not leave their vehicle unattended.

No Stopping and Bus Zones

Never stop in a No Stopping zone as you will obstruct sight lines for other drivers and pedestrians, which puts others at risk. Bus Zones are purely for the use of commercial buses and no other vehicles. See over the page for parking offences and fines around schools.

Parking Tips

- Always follow the road rules. Remember, road rules around schools are there to keep you and your children safe.
- If possible, make sure children exit your vehicle on the footpath-side or verge side when getting in and out of the car.
- Never stop on a pedestrian crossing or double park as you will obstruct sight lines for other drivers and pedestrians, which puts others at risk.
- Park safely, even if it means walking further to the school gate to drop-off or pick-up your child. It's a great way to connect with your child before and after school (away from screens).
- Pick your children up five to ten minutes after the bell in the afternoon, to avoid the most congested period. Ask them to wait inside the school gate for safety.
- If you park across the road, walk over to meet your child. Never call them across the road to you.

Child Car Seats

It is important your child is restrained in the correct child car seat for their age and size:

- It is recommended to keep older children in a booster seat until they are at least 145cm in height.
- A child that is correctly secured in an approved child car seat is less likely to be killed or injured in a crash than one who is not.

Walking to School

Plan your trip to school and use safe crossing locations if possible. Always hold your child's hand as they need help to spot dangers such as vehicles exiting driveways.

Model safe and considerate behaviour for your child - they learn from you!

Parking and traffic rules in school zones

You need to take extra care when driving and parking in school zones. Make sure that you and your child understand the road rules. If you break the traffic rules in a school zone you are putting not only your child but other children at risk. The parking and traffic rules around our schools are there to protect your children. If you break the rules you will be fined. **Please choose safety over convenience.**

	You cannot stop in a NO STOPPING zone for any reason (including queuing or waiting for a space). 	Keeps clear sight lines between drivers and children / pedestrians.	EXCEEDS \$337 	(School Zone) 2 
	You can stop in a NO PARKING zone for a max. of two minutes to drop off and pick up passengers. If no spaces are available you cannot queue on the road as you may obstruct buses who are waiting for a space. You will need to drive away and park elsewhere, only returning when there is a space to pull up. You are stopped in 3 minutes your vehicle is a fine and cannot leave your vehicle unattended.
