## FROM THE PRINCIPAL

Welcome back to all our JPPS families for a busy and fun term 3. We also warmly welcome the 19 new students and their families to our great school. I'm sure they will quickly find their way around with the help of everyone in our wonderful school community.

We congratulate Ms Allen as she has been selected to fill a temporary Deputy Principal position at Thornleigh West Public School. This engagement will probably continue until the end of the year. This is a wonderful opportunity for her to relieve in a higher duties position for an extended period of time.

## Meet Our New Teachers

We warmly welcome Mrs. Kate Green who was appointed to John Purchase Public School through merit selection. Mrs. Green will be teaching 6G.

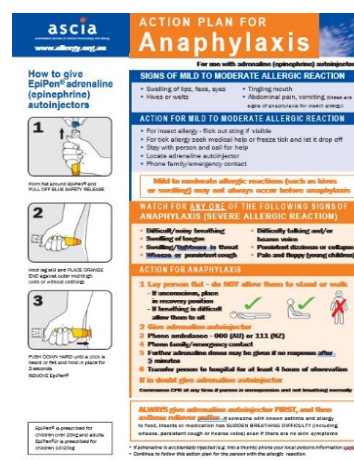

We warmly welcome Miss Nadine Fiorino, who will be teaching 1A from the beginning of third term.

## Staff Development Day

Monday 22<sup>nd</sup> July was our Staff Development Day. The teachers explored how to leverage the cultural forces of **expectations** and **environments** in order to foster a culture of thinking within their classrooms. Teachers reflected on their beliefs about teaching and learning with their colleagues, discussing the tensions that exist between certain areas such as knowledge and understanding, surface and deep learning, and growth and fixed mindset. The teachers then engaged in the 'Snapshot Observation Protocol' where they visited classrooms in the school and spent time reflecting together on how they could improve the effectiveness of their own classrooms.

The whole staff also completed their yearly mandatory practical training in both Anaphylaxis and CPR.

**GYG Schools Cup Basketball Relay Competition**

Last Saturday 27<sup>th</sup> July, Hayley M (6L), Tamas S (6L), Marco C (6G), Sarah K (6L), Aston T (5/6JG), Joseph S (5J) Xavier W (5K), Hayden G (4O) and Aarav B (4N), participated in the grand final of the GYG Schools Cup Basketball Relay Competition at the Hills Basketball Stadium. The students were very excited and ready to do their best. They had to complete a series of activities and drills up and down the basketball court against the two other grand finalist schools. The students all showed great sportsmanship, worked well as a team and cheered each other on, but the other two teams beat us to the finishing line on the night. The students were rewarded with a basketball key ring, a burrito and a voucher for Guzman y Gomez.

A big thank you to the Co-ordinator, Miss Mu who entered the students in the competition. Thank you also to Miss Mu and Miss Nelson who organised and accompanied the team on a Saturday night to compete in the two events.

**JPPS Open Day 2019**

Please save the date for the JPPS Open Day on Thursday 8<sup>th</sup> August. Everyone is welcome to come to hear and see where the students are on their learning journey. Please check your emails, the Skoolbag app, the school website, the notices in the newsletters and the posters around the school for the times and locations of the different events on the day.

NSW GOVERNMENT

My Community Project funds projects in each NSW electorate to help improve the wellbeing of people and communities. Successful projects will be determined through a public vote and the projects that receive the most support will receive funding.

JPPS has entered an artificial turf project for our top playground focussing on healthy communities, fostering the physical and mental well-being of students, as well as improving the local amenity and environment. The area is used by children to play at recess, lunch, sport periods, and while they attend Vacation Care and Before and After School Care. Artificial grass also affords opportunities for additional outdoor learning activities, providing an attractive and usable space for outdoor lessons.

To help JPPS win the public vote we need **all** our school community members that live in the Epping electorate to click on the following link  
<https://mycommunityproject.service.nsw.gov.au/projects>

and please **VOTE NOW!**

Family, friends, neighbours and any other community members are more than welcome to support our school by voting for this project. We have attached a brochure for you to share with other community members.

Please note that you will need to be living in the Epping electorate (please see the map opposite), have or create a Service NSW online account and supply Medicare details to vote. A map of the electorate is also on the My Community Project page.

We urge you to get behind this project to benefit our school and the local community.

Thank you for supporting our great school!

## FROM THE DEPUTY PRINCIPAL

### Welcome back

A warm welcome back to our school community for Term 3. Term 3 is an extremely eventful term with exciting activities and events across the school.

### Education Week 5 - 9 August

The theme for 2019 Education Week is '**Every student, every voice**'. It is a celebration of student empowerment and how the NSW public education system gives students the skills they need in order to have and express a voice during their own educational journey and as engaged global citizens.

### An Opportunity Not to be Missed: Our Education Week Parent Masterclass!

Parent Masterclass: Supporting a Culture of Thinking at home. We will be exploring the questions: How do we promote deep thinking and understanding in our classrooms? How can I support my child's thinking and learning at home? You will leave this masterclass with a range of strategies to optimise your child's learning. This masterclass will take place during our Education Week Open Day celebrations. The morning session will be held on Thursday 8 August from 8.55am to 9.55am, prior to open classrooms. Please register your attendance using this link:

<http://bit.ly/jppsparentmasterclass2>

### Congratulations Joseph!

Congratulations to Joseph S. of 5/6JG on his exceptional achievements in the 2019 Whitlam Institute's What Matters writing competition. The What Matters competition provides students in years 5 to 12 from NSW, VIC, WA, the ACT and Tasmania the opportunity to compose a response to the simple question 'what matters?' and to express their views on a subject they care about.

Thousands of entries from across Australia were received, and we are delighted to announce that Joseph's composition – "Insects Matter" was shortlisted! Joseph will attend the awards ceremony on the 9<sup>th</sup> September where the final results will be announced.

We congratulate Joseph on his hard work, and the time he spent perfecting his writing. Joseph's commitment to improvement has enabled him to achieve outstanding results!

### Lost Property

We have a lot of lost property at the moment. If your child has misplaced an item please check the special lost property bins outside Miss Brennan's room or Ms Moore's room. Some of the names marked on the students' clothing are becoming very washed out. Please re-mark all your child's belongings ready for Term three.

### Year 6 Interrelate

I observed Year 6 students deeply engaged in the Interrelate sessions held at school last week. The Interrelate presenters are highly trained educators, who handle the topics of growth and development with sensitivity and openness. As always, we encourage all students to engage in conversations with their parents about human development, at appropriate times.

### Our School Expectations

This week's expectation is **RESPECT**: Place all rubbish in the bin!
