FROM THE PRINCIPAL

PROUDLY PRESENTING OUR SCHOOL VISION

Our school vision statement describes our collective purpose, what is important to us and what we want to achieve. It has been co-created with input from parents, students and staff, so that we can work collectively to support and achieve the best possible outcomes for our students. It helps us look to the future and seeks to unify and motivate all in our community so that we are well placed to work together in the service of achieving this.

Our school community selected a number of powerful words to be incorporated into our vision, which are indicated in the word clouds below. The word clouds are visual representations which show the most frequently selected words. The larger the word, in the word cloud, the more frequently it was selected by the group.

Here are the wordles that were created from various stakeholder groups:

From the students

From the administrative and support staff

SCHOOL IMPROVEMENT PLAN

During this term we have been working hard to finalise our school's strategic improvement plan for 2021 - 2024. We will be working towards achieving three directions, which incorporate two key initiatives.

STRATEGIC DIRECTION 1: GROWTH & ATTAINMENT

This first strategic area focuses on maximising growth and attainment. It will enable us to focus on developing practices to ensure our students are appropriately challenged and supported in reading and numeracy, within a culture of high expectations. We want our students to connect with, apply and transfer deep understandings across key learning areas and it is important to us that our students achieve academic excellence. The two major initiatives within this direction are:

- Rigour in Teaching & Learning
- Differentiation

STRATEGIC DIRECTION 2: STUDENT AGENCY

This second strategic area focuses on empowering agency, efficacy and a love of learning; whereby all students believe in themselves as learners and develop the capacity to co-regulate their own learning with their teachers and parents' guidance and support.

This strongly supports our vision statement and deepens the work we have undertaken over the recent years in terms of our visible learning journey. It continues to be important to us that students understand what they are learning, why that learning is important and how they can achieve their learning goals. We want our learners to develop and use the skills, capabilities and dispositions to flourish as lifelong learners, who are empowered to thrive in an ever-changing, increasingly complex world. The two major initiatives within this direction are:

- Self-Regulation
- Learner Efficacy

STRATEGIC DIRECTION 3: IMPACTFUL PRACTICE

The third strategic area involves students, teachers and leaders collaboratively and astutely collecting, analysing and using relevant data, with an evaluative thinking lens, as an embedded daily practice, so that teaching and learning is responsive to the needs of the students and so that optimal learning outcomes are fostered. This supports our pursuit of excellence for all students. The two major initiatives within this direction are:

- Data Driven Assessment for Teaching
- Data Driven Evaluation for Planning

We enthusiastically thank our students, parents and staff for their contributions and look forward to working together over the next four years towards achieving our directions!

CONGRATULATIONS!

We are delighted to share Mrs Ducie's baby news. Mr and Mrs Ducie's beautiful baby boy, Jackson, arrived on 19th March, weighing 3.415kg. Mother and baby are both well.

IT'S A BOY!

Congratulations to Mr and Mrs El Bazouni on the birth of their beautiful baby boy, Marcus. He arrived on 22nd March, weighing a healthy 3.75kg. Mother and baby are doing well.

A BIG THANK YOU TO OUR P & C AND NSW GOVERNMENT

Last year our P and C successfully applied for the NSW Government's Community Building Partnership (CBP) Grant, to purchase outdoor seating. We were delighted that the P & C were awarded \$20000 to purchase the seating and voted to fund around \$5000 or \$6000 to pay for the difference between the grant funds and the cost of the furniture. These will be placed outside eight brick classrooms. We are very excited that a previously underutilised teaching, learning and socialising space is now being fitted with colourful seating.

The seating arrived last week, during the heavy rain and we were so eager for fine weather to arrive, so we could start unwrapping the goods!

Many hands make light work at John Purchase. Thank you to Clare, our business manager, who has become quite handy with a drill. Thank you to GA Peter for working tirelessly with Clare to prepare the furniture, and also thank you to our neighbourly GAs from the high school next door for helping with the heavy lifting.

It didn't take long (less than one day) before students were using the new furniture to collaborate, during their lessons.

We are very appreciative of the P and C's work in preparing the application and subsequent paper work required, and for the funding provided by the NSW Government's CBP Program.

SAFETY FENCING

We are also so pleased to have the safety fencing completed.

Have a great holiday everyone!

Principal

FROM THE DEPUTY PRINCIPAL

Easter Hat Making

Recent changes to the Covid guidelines enabled our students to share in the joy of students, across grades, supporting one another, during Easter hat-making last week. Here are some photos of the creative process!

Easter Hat Parade Assembly

K-2 Easter Hat Parade

9:15am Thursday, 1st April 2021

The Easter Hat Parade is an opportunity for the students in K-2 to display their Easter hats. Due to spacing requirements imposed by COVID restrictions, this year, we are limited to inviting only one adult per child in Kindergarten, Year 1 or Year 2. Additionally, three students will receive awards at this event and all P&C associated competitions for Easter, will be announced. The parade should conclude by 11am.

If you will be attending the parade, it will be necessary for you to sign in and use the Service NSW COVID app at the front office. It is necessary to practice COVID hygiene by using the provided sanitiser. We also ask that you adhere to social distancing of 1.5 metres at all times. Please be seated (with appropriate social distancing) in the COLA by 9:10am. Please do not attend if you are suffering from any cold or flu-like symptoms.

Parent Interviews with Class Teachers

As previously advised, all parent interviews will be held in the school hall this week. The booking site is now closed. Prior to each interview, parents will be required to complete the Covid check in process outside the hall, so please allow extra time for this. As advised previously, please do not attend the interviews, if you have any cold or flu-like symptoms. If this is the case, please phone the school office to advise cancellation of your appointment and request a new time in Term 2. Please be considerate of other parents and be on time for your appointment.

Our School Expectations

This week's expectation is:

Responsibility: Stay in bounds and use the correct pathways

Congratulations to the students who have demonstrated our school expectations of **RESPECT, RESPONSIBILITY** or who have tried to **ASPIRE**.

Purchase Pride Badge (10 Purchase Prides)

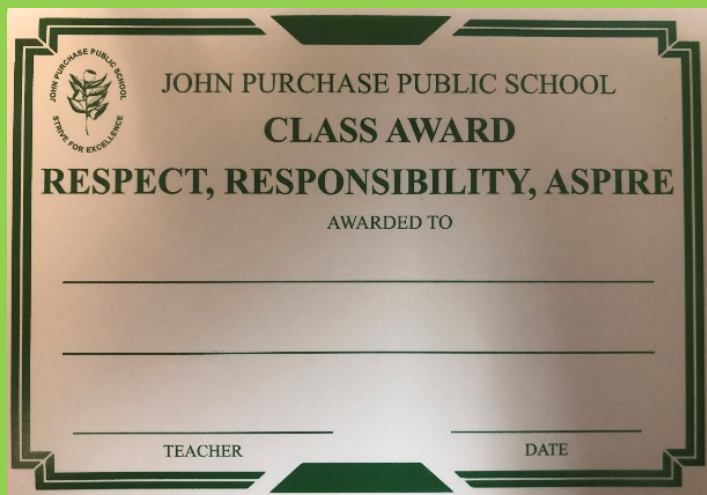

When students receive ten Purchase Pride awards (pictured above), these should be left in Mrs King's 'award shelf' in the administration corridor. The ten awards need to be bundled together and **clearly labelled** with the student's name and current class.

Purchase Pride cards have a tear off strip. This strip may be removed by the recipient and placed in the appropriate stage box outside Mrs King's office, to go in the lucky dip draw for a canteen voucher.

Following changes to the Covid guidelines, students will now be presented with their Purchase Pride badge at 8:55am on a Monday morning, usually the week after their name is published in the newsletter. Congratulations to the following Purchase Pride recipients, who will be presented with their badges in Week 2 next term:

Vera G (4M), Hayden S (4F), Molly K (2T), Jessica S (2T), Jackson R (1I), Allison G (1P), William K (2T), Kathleen L (4M)

What do I do with my Class Awards?

When a student has received ten green/white class awards (pictured above), they should be handed in to Mrs King's 'award shelf' in the administration corridor. The ten class awards need to be bundled together and **clearly labelled** with the student's name, current class and award level reached:

10 Class Awards = Bronze 20 = Silver 30 = Gold 40 = Bronze Medallion 50 = Silver Medallion 60 = Gold Medallion 75 = Platinum Medallion and Principal for the Day!

A clear, snap lock bag is ideal for this purpose!

With the exception of Bronze Awards (which are published at the end of the term and presented at a Principal's morning tea for students and parents), all awards received by 3pm on Thursday afternoons, are 'stamped' and published in the next school newsletter, which is usually on the following Monday. At this time, I indicate when these awards will be presented at the next Thursday afternoon assembly.

Students need to be responsible for their own awards, as replacements are not issued.

BRONZE AWARD (10 Class Awards)

Bronze Awards will be presented at the Principal's Morning Tea tomorrow at 10:55am in the annexe.

Congratulations to the following student:

Lucy C (4M)

Mrs Adela King

John Purchase Public School parents (K-6) are invited to attend two seminars on:

Emotionally Intelligent Parenting

The seminars will be facilitated by NSW Health staff and cover:

- The importance of Emotional Intelligence and the impact on wellbeing.
- An introduction to the development of children's brains in relation to emotions and their behaviour.
- The importance of identifying feelings in yourself to help your children identify and manage their feelings.
- A look at different parenting styles.
- An introduction to Emotion Coaching techniques including how and when to use Emotion Coaching with your children.

*****Parents are encouraged to attend both sessions*****

The two sessions cover different content. The second session builds on the first session.

Session 1: **Week 2: Wednesday 28th April**

Session 2: **Week 4: Wednesday 12th May**

Time: **6.30pm - 8.00pm**

Venue: **John Purchase Public School Hall**

Please click on the link below to register for the seminars by 23rd April 2021.

***Due to COVID numbers are limited.**

Parent testimonials

- *"The information was easy to understand & practical to implement. I tried it & it has already changed our family interactions" – Turramurra Parent*
- *"A very powerful way to understand your children's emotions and your own emotions to be able to connect on a much closer level" - Allambie Heights Parent*
- *"A great insight into a child's perspective of the world which helped me understand ways in which I could improve my parenting" - North Ryde Parent*

Got It!

What is 'co-regulation'?

Children are born with many emotions but without the language or ability to understand and manage them. We teach them how to be calm by doing it with them: rocking, patting, hugging, and quiet talking.

Children have good days and bad days when managing their feelings - just like the rest of us. They are sensitive to stress, lack of sleep, noise, arguments, etc. This can make paying attention to teachers and parents very difficult at times.

When a calm adult helps a child to stay calm and provides support for the child's emotional experiences, they become 'in tune' with each other. Being 'in tune' is important because children need to learn to co-regulate their emotions (manage their emotions with their parents help) before they can self-regulate (manage their emotions without help).

Activity: Feelings Chart

Print out the attached feelings chart and use the template to brainstorm with your child:

- What signs they show on the outside to reflect how they feel on the inside?
- What activity or strategy they could use to help them to feel calmer?
- What activity or strategy could others use to help them to feel calmer?

Tip: Keep it on your fridge to use as a daily reference for how to manage big feelings

Apps

Breathe, Think, Do with Sesame Street (free app).

This app provides breathing and problem solving practice for children.

Settle Your Glitter by Momentous Institute (free app).

This app guides children through deep breathing exercises that allow them to regain control of emotions.

Why I like school by Youta Chuah 4F

1. I like school because I'm always learning new things like how to play sports e.g., AFL, t ball, league tag and soccer. Also, if school wasn't here then we would not know how to do maths or write a narrative.

2. I always like school because I get to play with my friends and also help them out if they need help. I love when we partner up with somebody because then I get to do my fantastic work with my friends.

3. Band is also one of my favorite things to do at school because I get to play music with my friends. Sometimes I get new pieces like March to the Headmaster's Office and Celtic Air and Dance No. 3. My instrument that I play is the saxophone.

4. I like going to school because I get to see all of my teachers such as Mrs Rowley, Mrs Fazzolari, Mrs Collier, Mrs Ducie and Mrs A.

5. I also get to use digital stuff such as laptops, iPads and computers. Right now, we are learning about Indonesia and making a travel brochure using iPads.

6. I like *Mathletics* because that keeps me busy after I come home from school and the same goes for study ladder.

7. I like school because I get to spend a tiny bit of my money at the canteen and enjoy the food.

FROM THE TEACHERS

ATTENTION YEAR 4 PARENTS - Intention to Apply: Year 5 Opportunity Class Placement 2022

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is Opportunity Class placement for the last two years of primary school, which provides intellectual stimulation and an educationally enriched environment for gifted and talented students. Offers for Opportunity Class placement will be made on the basis of the Opportunity Class Placement Test results and school assessment. The Opportunity Class Placement Test will be held on **Wednesday 21 July 2021** at a venue to be announced.

If you would like your child to apply for Opportunity Class placement in Year 5 in 2022 please note all applications are completed online.

The application website opens on **Tuesday 20 April 2021** and closes on **Friday 7 May 2021**: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>.

Parents and carers must apply from the website at that time. The High Performing Students Unit does not accept late applications.

The Opportunity Class Placement Test will change in 2021 for placement in 2022. The new test will consist of thinking skills, mathematical reasoning and reading comprehension. In 2021 the placement test will remain in a paper-based format.

We encourage parents to monitor this website regularly for further updates on the opportunity class process for placement in 2022: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>.

A separate Intention to Apply letter has been emailed to Year 4 parents. If you have not received this, please contact me on 9875 3100.

Stage 2 Assistant Principal

FROM THE OFFICE

LOST PROPERTY

There are a number of unnamed lost property items which will be displayed outside the front office before and after school each day this week. These items range from clothing, lunch boxes and drink bottles. Please drop by and see if any of these items are your child's.

Any named lost property, when found is returned to your child's classroom.

FROM THE CANTEEN

Easter Hat Parade - As we usually do each year for the Easter Hat Parade, the canteen will be selling some fun food at recess next Thursday as well as our usual recess items. Items will be between 50c and \$1.

Volunteers - We are still looking for more volunteers to help out in the canteen one day a month. We couldn't run the canteen without our volunteers so if you have one day a month to spare and help out, we would love to see you. At the moment we have two Tuesdays where we are looking for one volunteer per day, and one Friday where we need two volunteers as that is our busiest day. If you would like to help out, please come in and see Donna or Anna or email jpps.canteen@gmail.com.

FROM THE UNIFORM SHOP

Hi everyone,

Just a reminder that students return in Term 2 in winter uniform.

With regards a technology update: everything has been going smoothly with the computerisation of the uniform shop. The final roll out will hopefully happen as planned, over the holidays, ready for Term 2.

During the holidays, you can still place Flexischools online orders ready for collection when school comes back.

However, in Term 2, uniform online sales are changing from Flexischools to a new online website. This change is only for the uniform shop.

The CANTEEN will STILL BE USING FLEXISCHOOLS for recess and lunch orders as normal. Only the uniform shop will stop using Flexischools.

Information will be sent home at the beginning of next term on how to access the new website for online purchases.

Buying in person at the store will remain the same next term, albeit with new streamlined computer receipts! Please remember, no cash is taken in the uniform store, only cards.

Wishing everyone a very happy Easter and safe holidays,

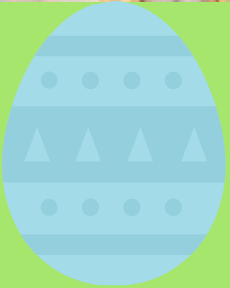

Sarah
